

Dr. Victor Ibrahim Memorial Orthobiologic Scholarship

Victor M. Ibrahim, MD

JANUARY 1, 1980 – AUGUST 23, 2018

Dr. Ibrahim was a pioneering physician and national leader in Orthobiologics. He was an inspiring figure and a brilliant mentor and educator to his colleagues and patients that had the opportunity to know him. He published several peer reviewed papers as well as a textbook on regenerative treatments in sports and orthopedic medicine. His enthusiasm to collaborate and help others in the field of regenerative medicine will be greatly missed.

To honor TOBI Faculty, Dr. Victor Ibrahim, MD, for his contributions to orthobiologics, we created the **Dr. Victor Ibrahim Memorial Orthobiologic Scholarship** to provide **FREE registrations and travel stipends to TOBI X 2019 to Residents, Fellows, Military, and Physicians in underserved regions.** ALL Residents, Fellows, Military, and Physicians in underserved regions can receive FREE Workshop & Symposium. In addition, 10 scholarships will also include FREE Cadaver Lab and \$500 travel stipend to [The Orthobiologic Institute \(TOBI\) 10th Annual PRP & Regenerative Medicine Symposium, Workshops and Cadaver Labs, June 6-8, 2019 at McCormick Place, Chicago, Illinois, USA.](#)

Please join us by sharing this opportunity with students, military, and physicians who will benefit from this education, contribute to their communities, and advance the field.

To Apply for Scholarship

Residents, Fellows, Military, or Physicians in Underserved Regions, submit 300-word essay describing how attending TOBI X 2019 can benefit his/her education, practice, and community. Applications must be submitted online at <https://www.tobicongress.com/students-military-underserved/> or via email to info@prpseminar.com by March 30, 2019 for stipend, and by June 5, 2019 for Promo Codes. Applicants also email a photo of ID documenting eligibility (student, military, region). Scholarships will be awarded and applicants will be notified of scholarship no later than April 15, 2019.

See more details and opportunities for Residents, Fellows, Military, or Physicians in Underserved Regions [HERE](#).

Donate to Support Dr. Victor Ibrahim Memorial Orthobiologic Scholarship

Donated funds will be used to provide more complimentary registrations, and travel stipends to scholarship recipients.
